RESEARCH FUNDING & FELLOWSHIPS

National Science Foundation (NSF) Graduate Research Fellowship *2025-2028*
Awardee in the public policy discipline.

Fellowship in Health Policy & Insurance Research, Harvard Pilgrim Health Care Institute *2025-2026*
Competitive fellowship awarded to one doctoral student annually to conduct independently led research.

T32 Trainee, National Institute of Mental Health (NIMH) *2024-2025*
Second year of doctoral training funded as a predoctoral T32 NIMH trainee.

Independent Research Summer Grant Recipient, Cornell University College of Human Ecology *Summer 2021*
Awarded $5,000 in competitive grant funding from the Alum 65th Anniversary Fund and Dean's Undergraduate Research Funds to pursue independent research full time for senior honors thesis as a summer internship.

Summer Internship Funding Grant Recipient, Cornell University College of Human Ecology *Summer 2020*
Awarded $2,000 in competitive Human Ecology Alumni Sponsored Internship Funding to pursue an unpaid internship opportunity.

AWARDS & HONORS

James F. Burgess Methods Article-of-the-Year Award from *Health Services Research* for "Deductible Imputation in Administrative Medical Claims Datasets." *2025*

Outstanding Senior Award, Cornell Jeb E. Brooks School of Public Policy Undergraduate Program *May 2022*
Selected as one of the outstanding seniors among the Brooks graduating classes of Fall 2021/Spring 2022.

Dean's List, Cornell University College of Human Ecology / Brooks School of Public Policy *2018-2021*
On Dean's List every semester of undergraduate program.

Best in Category for Applied Research, Cornell Undergraduate Research Board Fall Forum *December 2021*
Awarded best honors thesis presentation among all in the applied research (social science) category.

Undergraduate Scholar, Cornell Institute of Politics and Global Affairs *Fall 2020 - Spring 2021*
Competitively selected as a member of the inaugural cohort of scholars for the 2020-2021 school year.

Member, Kappa Omicron Nu, College of Human Ecology Honors Fraternity *2020-2021*

CONFERENCE PRESENTATIONS

Oral Presentations:

New York's Basic Health Program Increased & Sustained Insurance Coverage from Preconception to the Postpartum Period. *AcademyHealth Annual Research Meeting (ARM)*, Minneapolis, MN. June 2025.
Invited student presentation to the Women & Gender Health Interest Group session at ARM; selected as

a top scoring student poster abstract that was not previously selected for an oral presentation.

New York's Basic Health Program Increased & Sustained Insurance Coverage from Preconception to the Postpartum Period. *Population Association of America (PAA) Annual Meeting*, Washington, DC. April 2025.

Pregnancy & Policy: An Analysis of State-level Abortion Policy Hostility & Pregnancy Intentions Among Live Births. Oral Presentation. *Population Association of America (PAA) Annual Meeting*, Atlanta, GA. April 2022.

Poster Presentations:
A Behavioral Economics Intervention for Postpartum Primary Care Engagement Among Individuals with Anxiety and Depression: A Secondary Analysis of a Randomized Clinical Trial. *AcademyHealth Annual Research Meeting (ARM)*, Minneapolis, MN. June 2025.

New York's Basic Health Program Increased & Sustained Insurance Coverage from Preconception to the Postpartum Period. *AcademyHealth Annual Research Meeting (ARM)*, Minneapolis, MN. June 2025.

Changes in Healthcare Spending Attributable to High Deductible Health Plan Offer Among Enrollees with Co-Morbid Substance Use Disorder and Cardiovascular Disease. *American Society of Health Economists (ASHEcon) Annual Meeting.* St. Louis, MO. June 2023.

INVITED PRESENTATIONS

Antidepressant Discontinuation During Pregnancy and Maternal Mental Health. Presentation to the Maternal Health Working Group, Center for Maternal Health Innovation, Research, & Action. Department of Population Medicine, Harvard Pilgrim Health Care Institute, Boston, MA. October 2025.

An Analysis of State-level Abortion Policy Hostility and Pregnancy Intentions Among Live Births. Presentation to PAM 3360: Evolving Families: Challenges to Public Policy. Cornell University, Ithaca, NY. October 2022.

Pregnancy & Policy: An Analysis of State-level Abortion Policy Hostility and Pregnancy Intentions Among Live Births. Presentation to PAM 3100: Multiple Regression Analysis. Cornell University, Ithaca, NY. March 2022.

Pregnancy & Policy: An Analysis of State-level Abortion Policy Hostility and Pregnancy Intentions Among Live Births. Presentation to PAM 2030: Population and Public Policy. Cornell University, Ithaca, NY. March 2022.

Pregnancy & Policy: An Analysis of State-level Abortion Policy Hostility and Pregnancy Intentions Among Live Births. Presentation at Cornell University Undergraduate Research Board's Fall Forum, December. 2021.

TEACHING FELLOWSHIPS & ASSISTANTSHIPS

HPM 543: Quantitative Methods for Policy Evaluation *Spring 2025*
Masters-level course at the Harvard T.H. Chan School of Public Health, Profs. Cassandra Peitzman & Anas El-Turabi

Responsibilities included engaging with students in lecture discussions, hosting office hours, grading assignments, generating final exam questions. Course teaching evaluation: 4.9/5.

PAM 2030: Population and Public Policy *Spring 2021*
Undergraduate course at Cornell University, College of Human Ecology, Prof. Sharon Sassler
Responsibilities included hosting class discussions, office hours and presenting research material in class.

PAM 2250: Social Problems in the US *Fall 2019*
Undergraduate course at Cornell University, College of Human Ecology, Prof. Peter Rich
Responsibilities included engaging with students in lecture discussions and grading.
